Reasons for Allowance

Claims 1-23 are allowed. The following is an examiner's statement of reasons for allowance: Claims 1, 12 and 21, amended by applicant on August 14, 2003, recite an L-shaped modular AC section or means for a power supply unit. The L-shaped modular section is deemed to be a non-obvious improvement over U.S. Patent No. 4,652,769 to Smith et al. and U.S. Patent No. 6,175,503 to Hogan et al. These features, in combination with the rest of the elements or steps, are not taught or suggested by the prior art references. Claims 2-11 depend, either directly or indirectly, from claim 1; claims 13-20 depend, either directly or indirectly, from claim 12; and claims 22 and 23 depend from claim 21. The independent claims are therefore allowable for at least the reasons provided above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
